

NEXTGEN
EHS FORUM & AWARDS
SHAPING THE FUTURE OF EHS

INTRODUCTION

The NextGen EHS Forum & Awards 2025 is a premier platform that brings together leading professionals, policymakers, sustainability experts, and business leaders committed to advancing Environment, Health, and Safety (EHS) excellence across industries.

In an era where sustainability and safety drive organizational success, this forum is designed to inspire, educate, and connect. The event will feature thought-provoking discussions, expert-led panels, and real-world case studies that highlight innovative practices, regulatory insights, and the evolving role of EHS in shaping resilient organizations.

The NextGen EHS Awards will honor exceptional individuals and organizations that have demonstrated outstanding leadership, innovation, and commitment in the areas of environmental stewardship, workplace safety, health management, and sustainable business practices.

Whether you're an EHS professional, business executive, policymaker, or sustainability advocate this event offers a powerful opportunity to learn, collaborate, and celebrate excellence in EHS performance.

Join us as we shape the future of responsible business and recognize those driving a safer, cleaner, and more sustainable world.

AWARDS

About the Awarding Body:

The NextGen EHS Forum & Awards is organised by Feather Touch Business Solutions, a leading organization with over 10 years of experience in hosting national-level conferences and recognition platforms across industries. The initiative aims to honour outstanding contributions and innovations in the field of Environment, Health & Safety (EHS).

Recognitions:

The awards recognize organizations and individuals demonstrating excellence in EHS leadership, sustainability practices, workplace safety, and employee well-being. Winners are felicitated with trophies and citations during the awards ceremony, in the presence of industry leaders, media, and government dignitaries.

Application Procedure:

- Fill out the nomination form attached.
- Submit the form along with supporting documents or case studies highlighting your EHS achievements.
- The entries will be evaluated by a panel of experts and industry professionals based on innovation, impact, & implementation.
- Shortlisted organizations will be informed for the next steps and invited to the awards ceremony.
